

MIKHAIL G. SHAPIRO

Assistant Professor of Chemical Engineering
Heritage Principal Investigator
Division of Chemistry and Chemical Engineering
California Institute of Technology
Pasadena, CA 91125, MC 210-41
shapirolab.caltech.edu

Education

2004 Brown University, B.Sc., Neuroscience
2008 Massachusetts Institute of Tehnology, Ph.D., Biological Engineering

Positions and Employment

2008-2010 Senior Associate, Venture Principal, Third Rock Ventures, Boston, MA
2011-2011 Postdoctoral Scholar, University of Chicago, Chicago, IL
2011-2013 Miller Research Fellow, University of California at Berkeley, Berkeley, CA
2014- Assistant Professor of Chemical Engineering, California Institute of Technology, Pasadena, CA
2014- Affiliated Faculty, Biological Engineering, California Institute of Technology
2015- Affiliated Faculty, Medical Engineering, California Institute of Technology
2015- Heritage Principal Investigator, Heritage Medical Research Institute

Awards and Honors

2004-2006 Paul and Daisy Soros Fellowship
2004-2008 Fannie and John Hertz Fellowship
2009 Hertz Foundation PhD Top Thesis Prize
2010 Technology Review Magazine: Top 35 Innovators Under 35
2011 Life Science Research Foundation Postdoctoral Fellowship
2011-2013 Miller Research Fellowship at UC Berkeley
2013-2018 Burroughs Wellcome Career Award at the Scientific Interface
2013 World Molecular Imaging Congress: Young Investigator Award 2nd Place
2014-2016 Young Faculty Award, Defense Advanced Research Projects Agency
2016 Director's Fellowship, Defense Advanced Research Project Agency
2016 Pew Scholarship in the Biomedical Sciences
2016 Sontag Foundation Distinguished Scientist Award
2016 David and Lucile Packard Fellowship for Science and Engineering
