

Driving from the main entrance to Marriott Sawgrass from TPC Blvd as starting point.

Starting at TPC Blvd go to the main entrance of Marriott Sawgrass where the large sign for the hotel is located. Take a left to follow signs for the Spa/ Villas instead of going to the front of the hotel. The gate arm will be up for our group and you continue down the road (this is to the left of the Spa) all the way around to the Villas parking lot. Look to park near the 1500 and 1600 buildings. Then walk on sidewalk (-----) between those building to see Arbor Ballroom on the right.
